

Disney Vacation Club

Fun Facts

- There are more than 350,000 individual Members of Disney Vacation Club, enough to fill three football stadiums.
- Vero Beach supports the protection of sea turtles by turning off and shielding external building lights during nesting and hatching season.
- Ferries going between Disney's Old Key West and Disney's Saratoga Springs Resort to Downtown Disney travel the equivalent of 8 ½ trans-Atlantic trips every year.
- A special room at The Villas at Disney's Wilderness Lodge houses a collection of train memorabilia and artwork, including an exhibit featuring two of Walt Disney's personal scale-model railroad cars.
