

HONG KONG DISNEYLAND RESORT FUN FACTS & FIGURES

Murals

- The murals in the Plaza Inn restaurant are reproductions of landscapes illustrated and produced by Disney artists for the Disney animated film Mulan.

Locomotives

- The Hong Kong Disneyland Railroad has three locomotives: the Walter E. Disney, a tribute to the founder of The Walt Disney Company; the Roy O. Disney, co-founder of The Walt Disney Company and Walt Disney's brother; and the Frank G. Wells, who was The Walt Disney Company's president from 1984 to 1994.

Largest Adventureland

- Hong Kong Disneyland's Adventureland is the largest Adventureland of all the Magic Kingdom parks around the world.

Sparkling Castle

- Sleeping Beauty Castle at Hong Kong Disneyland features an integrated, computer-controlled strobe light system which creates a sparkling effect that makes the castle look even more magical at night!

Cinderella

- The Cinderella Carousel in Fantasyland features paintings that tell the story of Walt Disney's classic film Cinderella.

Fantasy Garden

- The Fantasy Garden at Hong Kong Disneyland is modeled after a classic English garden. Some parts were also inspired by the Tivoli Garden in Denmark, which was one of Walt Disney's inspirations when he created the original Disneyland.

Snow White Sings!

- The singing voice from the wishing well at Snow White Grotto in Hong Kong Disneyland is that of Adriana Caselotti, the singing voice of Snow White.

Orbitron: Model of the Universe

- The large globe at the base of the Orbitron attraction is designed to be a map of the universe, with galaxies and stars represented by embedded fiber optics that glow and change colors at night. It is designed after models of the universe used from the 15th to the 19th centuries to show how planets in the solar system move.
